- Medium grade wheel for good cut rate on stainless steel/inox, helps increase productivity
- Sharp zirconia grain and reinforced resin bond gives a very stable and comfortable cut
- Free of iron, sulphur and chlorine so does not contaminate the workpiece

	3,0 x 22,23	A 24 V-BF41 INOX	25	66252919221	€000,00

- Hard grade wheel for long life on stainless steel/inox
- Thicker wheel gives more stability and control when cutting
- Coarse grit wheels for use with medium to heavy pressure
- Free of iron, sulphur and chlorine so does not contaminate the workpiece
- For rough and demanding operations

- Aluminium oxide grain for two to three times more cuts through steel than conventional wheels
- Medium grade hardness provides good wheel life
